Dear Parents,

Firstly, I would like to reiterate all the wonderfully positive comments we have had from parents regarding the visit to Arthog last week. It is always with mixed feelings that parents wave goodbye to their children knowing that they will be away for a whole week, but I think that this visit has yet again proved that exposing our children to character-building and challenging activities is extremely beneficial for developing resilience and courage. Our pupils always return slightly more confident and more prepared to meet daily challenges head-on – once they have caught up on their sleep, that is! I would like to say a big thank you to Mr Heath, Mrs Woolley, Mrs Davis, Tina and Mrs Hartland for providing this wonderful experience for our Year 5 and Year 6 pupils.

Yesterday, Father Christopher had his Pet Service in church and I would like to say how impressed I was with how well it went, and how many of our families attended with their pets. My favourite part of the afternoon was the 'Do I look like my pet?' competition as it was hilarious and I was also extremely pleased that our pupils did so well in the drawing competition.

Pictured left is Jessie who won the first prize in the drawing competition, and Gracie who won second prize in the 'Do I look like my pet?' competition. (In my opinion she should have received first prize – I have never seen such a cute hamster!)

Pupils have been busy filling in questionnaires to let me know how they feel about school and letting me know their ideas on how we could improve school further. This mostly involves more play time and golden time! Please remember, that my door is always open for you to come and speak about any ideas you may have about ways to improve school, and of course you can speak to your Parent Forum representative. We now have a 'reflection space' in school where pupils can go at break times if they need some time to have a moment of quiet. There is also the opportunity to write a prayer if they would like to. Lots of pupils have been using the space already.
