Broseley C of E School Mobile Phone Policy

The purpose and Importance of the Mobile Phone Policy

Broseley Primary School recognises that staff may need to have access to mobile phones on site during the working day. However, there have been a number of queries raised within the local authority and nationally regarding the use of mobile phones and other devices in educational settings.

The concerns are mainly based around these issues:

- Staff being distracted from their work with children
- The use of mobile phones around children
- The inappropriate use of mobile phones

Ensuring the Safe and Appropriate Use of Mobile Phones

Broseley School allows staff to bring in mobile phones for their own personal use. However, they must be kept in their bags in cupboards at all times and are not allowed to be used in the classrooms, toilets, changing rooms or in the play areas at any time. If staff fail to follow this guidance, this should be reported to Mr Sam Aiston (Headteacher) who will decide if disciplinary action should be taken.

If staff need to make an emergency call, they must do so in the Staffroom, Main Office, Head teachers office or school car park.

Staff must ensure that there is no inappropriate or illegal content on the device.

Mobile phone technology may not be used to take photographs anywhere within the school grounds. There are digital cameras and iPads available within the school and only these should be used to record visual information within the consent criteria guidelines of the local authority and the school.

Members of staff may only contact a parent/carer on school approved mobile phones.

When children undertake a school trip or journey, mobile phone use by adult leaders should be limited to contact with the school office or venues being visited, except in emergencies and then only by approved telephones.

Mobile phones are not permitted on school trips or the school journey unless otherwise discussed and agreed (eg. residential trips).

Use of Mobile Phones for Volunteers and Visitors:

Upon their initial visit volunteers and visitors are given information informing them they are not permitted to use mobile phones on the premises. If they wish to make or take an emergency call they may use either the landline or

make the call in the designated areas which are Main office, Head teachers office, Staffroom or Carpark.

Neither are volunteers or visitors permitted to take photographs or recordings of the children without the school permission.

Staff must be vigilant at all times to ensure that any breach relating to the use of mobile phones is reported directly to the Head teacher.
