

Weekly News from the Head

Dates for the diary

Dear Parents/carers

Hope you all had a fantastic weekend.

I want to start by thanking parents for all the support on Friday's sports day, it was great to see so many here- particularly those parents who had children in both keystages and presumably had to take a whole day off work. Well done to our wonderful children. They were competitive, determined and resilient but also showed great sportsmanship. These are some of the qualities that we expect from our pupils and we are very proud when they display them. Despite concerns about the weather, it turned out to be a really good day and feedback has been really positive.

Today Years 3 and 4 have had their first session of Stepping Out Pedestrian training. The second session is planned for next Monday.

This week we have a couple of sports events organised. The girls in Years 4, 5 and 6 will be attending the 'This Girl Can' event at Lilleshall Sports Centre on Wednesday 13th June. The girls will get the chance to have a go at a range of activities run by qualified and experienced coaches from local sports clubs. They leave school at 9.00am and will return approximately 5.00pm depending on the traffic.

On Thursday 14th June Year 6 are attending William Brookes School for a athletics morning where they will get the chance to try different sports and meet other year 6 pupils from local primary schools.

Sam Aiston

Football Cookies

School News

Visit from our School Reading Patron

Last week we were lucky to have a visit from our school reading patron and award winning author Eloise Williams. During her visit Eloise worked with each of our KS2 classes, giving author advice, answering lots of questions and reading from her books. She loved our library and book nooks and commented on how fantastic the children's writing was as well. We are looking forward to developing our partnership with Eloise in the future. We have lots of exciting things planned, so watch this space.

Miss Howell

Member of Rowing Trio visits school

We also welcomed Di Carrington, the oldest woman to row across the Atlantic. Di Carrington, 62, was part of an all-female trio who took on the Talisker Whisky Atlantic Challenge, rowing the 3,000 miles from La Gomera in the Canary Islands to Antigua in the Caribbean. In the morning assembly she told the children all about her amazing journey and the different conditions the crew had to contend with over the 60 days at sea. It was amazing to have her here in school to share her experience.
