TEACHERS		
	Mrs E. Davis EYFS	I have worked at Broseley C of E for over 25 years! During that time, many different members of staff have come and gone, but the strong caring ethos of a family has continued throughout, where the children are at the centre of everything we do. I love, and feel privileged to work with the very youngest of children in school. Their sense of wonder, joy and excitement to learn, is infectious making the reception classroom at Broseley C of E a lovely place to be.
	Mrs T. Mitchell Year 1	I joined Broseley C of E in 2014 and I can honestly say it's the place where I regained my love of teaching!!!! I am fortunate enough to be able to speak as a parent and a member of staff when I say the school has friendly welcoming atmosphere with an open door policy ... this suits me greatly as I like nothing more than having a chat! Now a bit about me ... I am a Broseley girl and love living and working in such a close community. I think my knowledge of the community has helped greatly and I love nothing more than rising to the challenge of organising children to attend community events. I have high expectations of my class and it's often been said I'm fun, firm but fair, and I'll take that proudly as I continue to plan rich and varied curriculum to meet the needs of each new class.
	Mrs J. Aston Year 2	I have worked at Broseley CE School for the whole of my 32 year teaching career. For the majority of this time, I have taught in KS1, but I have also taught in Reception and in Years 3 and 4. I feel very fortunate to work in such a lovely school, where every child is valued for their own unique strengths, talents, interests and personalities.
	Miss L. Simpson Year 3	I am extremely proud to be part of the amazing team at Broseley CE Primary School. I have been the Deputy Head now for almost eleven years and truly feel part of a wonderful supportive Broseley community. For me, one of the key strengths of our school is the pastoral care of our children. We endeavour to ensure that every pupil feels safe and happy, and can thrive in a supportive and exciting learning environment. As a class teacher, I work hard to make this happen – with very high expectations of learning and behaviour, underpinned with genuine care for my pupils' well-being and happiness, and I also like to ensure that we have lots of fun at school. I love to be creative; teaching drama and dance classes, as well as overseeing the teaching of music and French in school. You might also find me building a cave in the classroom to provide pupils with somewhere exciting to enjoy their reading!
	Mr J. Heath Year 4	I started at the school as a teaching assistant and I have been teaching at Broseley since qualifying as an NQT around 13 years! I have never wanted to teach anywhere else, the children, the parents, the community and the town are very close to my heart even though I am not 'local'. My passion is sport and I believe that competition is a healthy and important part of growing up. Learning how to lose and win graciously is an invaluable skill for life. Always happy to make a fool out of myself, wear costumes and prance around in a tutu if the occasion calls for it as I believe fun has to be at the heart of learning.
	Miss K. Wootton Year 5	
	Mrs C. Bagnall Year 5	I have taught at this lovely school for 13 years and I now teacher part time. I love teaching different classes and getting to know all the children in the school. Outside of school, I am Chair of the Birchmeadow Centre and I put on the live music events there. I have two grown up sons who were both pupils here.
	Miss R. Howell Year 6
